THE PERFECT DAYS

THE PERFECT DAYS

of the last week have caused that restless feeling to take possession of people
that are living in rented houses, or they,
for numerous reasons, desire to better
the condition of the one they live in by
purchasing a new one.

On 5th Ave, and C St. we have left a
few of our attractive houses and bungalows. The desire for these houses is becoming so great we find it difficult to get
materials to meet the demand.

The reason for the popularity of these
houses is that a company, such as this
one, has large capital at its disposal,
thereby enabling it to purchase large
quantities of building materials at a low
figure and handle it more successfully
and profitably than the small investor,
but through our purchases the small investor reaps the benefit.

Our only reason for placing our money
in these

Our only reason for placing our money in these houses is for the good security they give, and we see that attractiveness, durability and solidity are combined in their structure.

The location is ideal, above the smoke ine, where the air is healthful, pure and nivigorating; to convince one of that fact invigorating; to convince one of that fact it takes but a single walk up there on one of these beautiful mornings.

These homes are within a comfortable walking distance of the business center. The good service of the Sixth avenue car line is but three short blocks away, and the officers of the car line have informed us that the car line along Ninth avenue will soon be extended as the avenue will soon be extended, as the franchise for it is granted.

franchise for it is granted.

This car line will increase our property values 20 per cent, but our prices remain the same—\$500 to \$1.000 down, the monthly payments of \$30. balance in monthly payments of \$30 (rent), \$20 of which we credit on the pur-

chase price.

After sixty to eighty rent payments, according to the price of the home, you own it, free from debt and landlords.

Should you be contemplating building upon your own lot or purchasing a home under any conditions, first call upon the Salt Lake SECURITY & TRUST Company, 34 MAIN street, and see if our plans or suggestions will not meet your approval.
